

Five Little Monkeys Sitting in a Tree

Five little monkeys sitting in a tree
(display five fingers and swing hand to rhythm of verse)

Teasing Mr. Alligator, "You can't catch me!"

(lower voice to a whisper)

Along comes Mr. Alligator

(put palms together and slither hands like an alligator)

As quiet as can be

(louder)

And snapped (clap!) that monkey right out of that tree!

(REPEAT WITH 4, 3, 2, 1 MONKEYS)
